

# FOUNDATIONS AND FUTURES

Can you homeschool through high school? Can homeschooled students apply to universities and CEGEPs? What options are available for accredited diplomas? How early do I need to start worrying about these questions?

Focusing on the specific needs of Ontario and Quebec homeschooled students, join seasoned homeschool educators for a two-part webinar series that aims to support you as you explore the options open to your students.

**Cost: FREE!**

Visit [www.foundationandfutures.com](http://www.foundationandfutures.com) to register.

MAY  
**31**

7-8pm **What is Classical Education?** An introduction to the trivium and classical methodology, building the foundation for future success.

8-9pm **University: Give them the Option**

Homeschooling older students with an eye towards their future.

JUNE  
**1**

7-8 pm **The Practical Side:** Electives, Social Lives, and Choosing a Post-Secondary Option

8-9pm **Panel Discussion and Q&A** Current university and CEGEP students answer your questions about graduating as homeschoolers and choosing, applying to, and attending college and university.
